Proposal submission and national evaluation procedures (including time to funding decision)

Between 4 and 12 months after calls' closing dates between the submission of project application and funding decision. International technical experts evaluate the proposals and a jury-panel decides the ranking, submitted for approval to the decision makers (usually, the Ministry in charge of the programme).

Additional information

For example:

- **FIT-IT:** Funding programme for information technologies
- **GEN-AU:** Austrian Genome Research Programme
- **CIR-C:** Funding for cooperations in innovation and research with Central and Eastern Europe
