- Discuss project ideas in workgroup sessions;
- Contact other interested parties/potential partners from all over Europe and beyond; and
- Receive general information about ITEA and the Call process.

## Want to turn an innovative idea into reality?

Now is the time to start shaping your project idea(s) and project consortium, explore local funding possibilities and register via the online registration form - <https://itea3.org/po-days-2014.html>
