Energy • Water • Telecom • IT • Nanoelectronics • Smart Systems

Looking for ways to get your technology or service to the market?

Get your questions answered on-the-spot by representatives of EUREKA's unique Clusters program, including leading industry stakeholders from GE, Acciona, Saft, Conergy, Deutsche Telekom, Technip, GDF-Suez, Schlumberger, Tupras and more

EUREKA is Europe's largest platform for international cooperation in industrial R&D, and its thematic Clusters program brings together SMEs, research institutes, and industry giants from around the world to produce large-scale cooperative projects in communications, energy, information technologies, water and more. At the Inter-Cluster Info Day, you will have the chance to meet Cluster representatives and other companies looking to partner up and apply for funding. You will also have the chance to present your company's project ideas. Don't miss this unique opportunity.
