The event features keynotes by Maurizio Zuffada (ST Microelectronics), Gerold Schröpfer (Coventor), Hans-Jürgen Brand (GLOBALFOUNDRIES), Ulrich Abelein (Audi), Alex Ramirez (BSC) and Raul Camposano (Nimbic). With a mix of representatives from industry and academic research it creates ideal opportunities for a professional exchange of ideas and results on a scientific basis.

You will find detailed information about the program, the location and the registration on our webpage:
